

AdmiralPro Delta[®] Med

Admiral Insurance Group covers clinical research organizations in all phases and for all types of drugs and devices.

What's at Risk

Clinical trials are subject to complex regulations and intense scrutiny. Having a policy that is flexible enough to address this naturally dynamic environment is critical to all parties involved in each aspect of a clinical trial.

Our Solution

Admiral's modular policy is tailored to fluidly address the multiple phases and constituents in clinical trials. Admiral underwriters and our national wholesale broker experts can assist by advising clinical trials on what coverages are needed, as well as when they are needed phase by phase of each clinical trial. We have enhanced our offerings to include clinical investigators and first dollar defense.

The Admiral Advantage

Products and services described above are provided through various surplus lines insurance company subsidiaries of W.R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
