### Claims Excellence

Your claims will be handled by a team that specializes in managing care and helping your employees get back to health and back to work. Through comprehensive investigation of losses and a focus on directing care, injured workers receive the care they need while managing claim costs responsibly. Injured workers have access to a large network of doctors, medical providers, and pharmacies. 24/7 claims reporting and a self-service portal allow customers and agents to file a claim, find a check or get adjuster information at any time.
