

Hemp & Cannabidiol (CBD) Coverage

Admiral Insurance Group offers coverage for companies in the hemp and CBD industry. We know the industry is expanding and changing all the time, with regulatory requirements and exposures that can be challenging. Our coverage is customized to meet the unique needs of the hemp and CBD industry.

What's at Risk

Whether your client is a US manufacturer, contract manufacturer, distributor, retailer or wholesaler in the hemp and CBD industry, they are tasked with mitigating significant risks in an environment of stringent business regulations. Any incident without the right coverage and your client's business and operation might never recover.

Our Solution

Our specialized Health, Nutrition and Lifestyle (HNL) Team stretches across the nation and consists of experts in the field whose memberships in the National Products Association and the American Herbal Products Association keep them up-to-date on the trends and innovations that matter. Through this team, we deliver comprehensive coverage that protects your clients.

The Admiral Advantage

Products and services described above are provided through various surplus lines insurance company subsidiaries of W.R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
