

AdmiralPro Delta® Med

Admiral Insurance Group offers medical malpractice coverage to physicians, surgeons and dentists. We draw from more than 30 years of underwriting and claims experience to provide enhanced protection for these specialized practices.

What's at Risk

Physicians, surgeons and dentists face considerable risks. Without adequate medical malpractice coverage, your clients could be defenseless in the face of a claim.

Our Solution

We developed AdmiralPro Delta® medical malpractice coverage specifically to meet the coverage needs of care providers doing complex work and who face considerable exposures. Our wholesale broker partners assist retail agents and their clients to make sure the coverage needed is the coverage provided.
